From (Name) W.E. Smith Esq., M.A.,

To The Secretary to the Government of Madras,
Law (Education) Department

Sir,

I have the honour to submit herewith letter from C.No.1369/33-U.T.B. dated 26th July 1933 of the President Taluk Board, Udipi, with the following remarks:

The proposal is not new. It formed part of a scheme for the opening of new middle schools by the conversion of the practising schools of the training schools for women proposed in my letter to Government R.O.C.No.258-A/30 dated 26.9.1930. The scheme was deferred by Government on financial grounds in G.O.No. Ms.2485 Law Education dated ..12.1930. The proposal

involves recurring expenditure on staff, as additional assistants even for the existing model school have been considered necesssry by the Inspectress, and also an on additional accommodation and contingencies. Furthermore, there is already a secondary school under Mission management in Udipi and the provision of another school under Government control is not urgent and essential at a time when economies have to be effected on recurring expenditure.

The scheme may stand over for future consideratior when better financial conditions prevail.

I have the honour to be,

Sir,

Your most obedient servant,

S. Rt Savoor

for Director of Public Instruction.
